CML Captures H.J. Fox Year End Awards

Our 2007 horse show team garnered top honors at the H.J. Fox awards banquet held January 5 at the Madison Cultural Arts Center. In addition to year end awards in hunter, jumper, equitation and pony divisions, the Saddle Club (Lindsey, Abby, Julia and Cassie of H&G) shared the Sportsmanship Award and Alli presented a perpetual trophy in memory the great Pillow Talk. Always a pleasure to have Daphne with us from VA!

TENTH ANNIVERSARY OPEN HOUSE/ NONA GARSON CLINIC A HUGE SUCCESS!

Feb.9– Mock Fox Hunt @ Pegasus Equestrian Center, Milner

Lesson Schedule Update: *Haven’t been billed for lesson packages? Beginning February 1, boarders will be charged for two lessons weekly (less boarders’ discount), non-boarders sign up for 1 or 2 lessons weekly-billed monthly . This saves administrative, scheduling and billing hassles and encourages consistent riding!*

Dede and Platty take a jump in preparation for a Mock Fox Hunt to be held February 9 at the Abrams’ Pegasus Equestrian Center in Milner. The course will cover 10 area farms. Hunt capping fee is \$35. All are welcome.

In memory of our beloved dog, Clem, who died of natural causes in November at age 10. We remember his kindness, loyalty and even temper—and his shaggy coat which brought in artifacts from around the farm. Our family portrait by S. David Wilson is a great way to remember him. Let David capture your special memories in oil on canvas. 770/841-5218.

CML Riders gathered to welcome U.S. Equestrian Team member and 2000 Olympian Nona Garson to coach and to help us celebrate our farm's tenth anniversary. Farm team shirts commemorated the event. Want to order a shirt? You rode and are waiting for your complimentary photo disk of the weekend? Just call us!

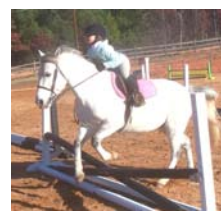

Thanks to participant from Malone Farms & Winter Haven (GA), H&G (Auburn, AL), Roseoldian Farm and West Neck Creek Equestrian Center (VA Beach), Dan Lincoln (Brandeis, Boston, MA) and to riders' families and friends. Staff spent late nights painting jumps and prepping the barns. CML families hosted. Beneficiaries Boy Scout Pack 901 and Inner Harbour Recreation Therapy were on hand.
